

Summer School Age Program Enrollment Instructions 2021

A completed enrollment FOR EACH CHILD is made up of seven** (7) pages, as follows:

- Application (pages 1-4) -- for this summer session
- Tuition agreement (page 5)—even if you request/receive financial assistance
- Attendance schedule (page 6) — grid for days/weeks of attendance
- **Tuition agreement for school year —if registration for fall is desired.

Required: Immunization record (current copy) **OR** permission to access VT Immunization Registry records (permission on page 3 of the Application). The immunization record must be sent along with your enrollment materials, unless you give permission.

Clear and complete information on these forms makes it possible for us to safely care for your child in our programs. We encourage you to re-read your form before sending it in; keeping a copy for your own records is a great idea.

The form above is also available via email request at schoolage@mjcvt.org

- If you have accessed these materials electronically, please note: **All forms must be printed off, since there are several places noted on the forms that you must sign to complete the enrollment. We offer only the print version of the form this year – no fill-in option.**
