FOR SOCIAL RESPONSIBILITY

The Y is family. The Y is for everyone.

The Y is a family made up of an incredible cross section of the Greater Burlington community; a melting pot of age, ethnicity, interests and abilities. We share a common connection to our community and a deep commitment to caring for everyone in it.

A gift to the Y ANNUAL CAMPAIGN is a smart investment that yields an immediate and meaningful return. Together we will work toward nurturing the potential of kids, promoting healthy living, and fostering a sense of social responsibility. Together we will build a brighter future for our youngsters and offer opportunities for everyone to access our life-enriching programs and services. Together we will build a strong and vibrant community. Together we are family.

For generations the Greater Burlington Y has served this community. We are here for you and for our community today, tomorrow, forever.

THANK YOU FOR YOUR GIFT.

A gift of $100 teaches an adult to live a healthier, better, more independent life by providing medical rehabilitation services.

A gift of $50 helps to provide training & resources to at-home caregivers so that their children are prepared for kindergarden.

FOR YOUTH DEVELOPMENT

NURTURING THE POTENTIAL OF EVERY CHILD & TEEN

"Thank you so much for your generosity, which allows our little ones to attend preschool at the Y. The financial assistance is truly a blessing; without it, our children wouldn't be establishing the good learning habits. We couldn't do it without you." **– Annie Z.**

FOR HEALTHY LIVING

IMPROVING OUR COMMUNITY'S HEALTH AND WELL BEING

"After injuring my knee in an accident, I looked into places near my house that offered affordable physical therapy—but without Medicaid, I knew I wouldn't be able to pay. A friend told me the Greater Burlington YMCA offered scholarships. Now, I'm not only a happy member, but I've been losing weight, taking care of my knee, and am able to walk so much better. Thank you!" **– Kimberly R.**

FOR SOCIAL RESPONSIBILITY

GIVING BACK AND PROVIDING SUPPORT TO OUR NEIGHBORS

"I want to help other families who are struggling financially in our community. I feel that all children should have the same opportunities at the Y that mine do; to have strong self-esteem, treat others fairly and give back to those who need help." **– Daniel H.**
